Steve's been out  and I don't know if he's made it back in and I think Nikki might be out or working on other matters. They have been directed by Beverly to work on this so we can get this to Greg early next week, but as I said yesterday, it will probably be Monday before we are able to have a draft. I'm continuing my efforts to reach them today and if Nikki is here, and is able to get something put together, I'll get that into our draft.

Bob, are we on track to get your team's input into my email today so we can work through finalizing at more formal bullet-point memo format submission to Greg?

Andrew, I'm in a settlement meeting, but I have news from my discussions with Beverly that I think should alleviate our concerns to a great extent. I will call you after this meeting.
